

RONALD RÁBAGO

SENIOR VICE PRESIDENT OF GOVERNMENT SERVICES

Rear Admiral Ronald J. Rábago, USCG (Retired), is Senior Vice President of Government Services at ABS. In this role, he provides executive leadership in support of government maritime programs, including classification and technical services for military and government-owned vessels.

Before joining ABS, Admiral Rábago completed a distinguished 36 year career in the U.S. Coast Guard. He served as Assistant Commandant for Engineering and Logistics and Chief Engineer, where he oversaw life cycle engineering, logistics, maintenance and infrastructure for the Coast Guard's fleet of cutters, aircraft, boats and shore facilities. Prior to that, he served as Assistant Commandant for Acquisition and Chief Acquisition Officer, leading the service's major acquisition and recapitalization programs and managed a multibillion dollar investment portfolio.

Admiral Rábago is a graduate of the U.S. Coast Guard Academy and holds advanced engineering degrees from the University of Michigan. He also holds professional credentials in acquisition and executive leadership.
