

# PREPARING FOR A U.S. COAST GUARD

# SUB M SURVEY

Under Subchapter M, towing vessel operators choosing the TSMS option are required to implement a survey program—either internal or external—to demonstrate compliance with the Subchapter's requirements.

This program, developed in collaboration with ABS, prepares vessel crews, company management, and internal and external surveyors of what to expect when a survey is conducted.

**Surveyor DVD: \$525**

Includes resource kit, complete with manual, test questions, student sign-in sheet and completion certificate.

**Combined Surveyor & Auditor DVD Set: \$895**
