

PETER FITZPATRICK

VICE PRESIDENT, GLOBAL BUSINESS
DEVELOPMENT AND ACCOUNT MANAGEMENT

Peter Fitzpatrick is Vice President, Global Business Development and Account Management for ABS, responsible for client relationship management and business solution development across the ABS operational hemispheres. Previously, he served as Vice President Global Marine and Vice President Marine Technology for ABS.

Prior to joining ABS, Mr. Fitzpatrick was Vice President Ship Design and Construction for BG Group where he was responsible for the technical operations of the company's LNG vessel acquisition programs.

Fitzpatrick has worked in a number of gas shipping-related roles throughout his career and has a Bachelor of Engineering in Ship Science from Southampton University.

Mr. Fitzpatrick holds a bachelor's degree in engineering from the University of Southampton.
