

## PAUL SELLS

---

GLOBAL HEAD OF DIGITAL SOLUTIONS

Paul Sells is Global Head of Digital Solutions for ABS. He is responsible for leading the development and innovation of ABS' digital solutions to support our clients in all aspects of their business, including compliance, sustainability and operational goals. Paul also oversees the delivery of competitive products and services that enhance ABS class services through safer, more informed, and data-driven approaches.

Paul holds several patents and joins ABS from Mira Labs, Inc., where he was Vice President of Customer Experience. He also served in the U.S. Navy, where he was a Lead Petty Officer. Paul graduated from the

University of Tennessee with a degree in Mechanical Engineering and received a Master of Business Administration from the College of William and Mary.
