

ADAM W. MOILANEN

VICE PRESIDENT OF HEALTH,
SAFETY, QUALITY AND ENVIRONMENT

Adam Moilanen is Vice President of Health, Safety, Quality and Environment (HSQE) for ABS. Based in Houston, Texas, he is responsible for directing company-wide HSQE Management System activities.

Prior to his current role, Moilanen served as President and COO of the ABS Greater China Division based in Shanghai. Moilanen joined ABS in 1989 as a Field Surveyor and has served in a number of positions, including Manager, Director, Regional Vice President, Senior Vice President and Chief of Staff. During his ABS career, Moilanen also has had operational

oversight for countries in the Americas, Greater China and Southeast Asia.

Moilanen earned a bachelor's degree in marine engineering technology from the California Maritime Academy and an MBA from Texas A&M University. He is a retired Naval Reserve Officer, completing 28 years of service and reaching the rank of Commander. He is a member of the Society of Naval Architects and Marine Engineers (SNAME) and the U.S. Reserve Officers Association. Moilanen is certified as an ISO 9001 and 14001 and OHSAS 18001 Lead Auditor, and he is an ABS Corporate Officer.
