

JAMIE SMITH

ABS AMERICAS DIVISION PRESIDENT

Jamie Smith is President of the ABS Americas Division. He is responsible for all ABS operations in North and South America.

Smith joined ABS in 2016 as Vice President of Global Marine. In this role, he led client development and strategic planning for the marine market globally and across four key geographic divisions.

Prior to joining ABS, Smith worked for General Electric where he led the North American Reciprocating Gas Engines business focused on distributed power generation and natural gas

compression projects. He began his career as a commissioned officer in the U.S. Coast Guard.

Smith holds a bachelor's degree in operations research from the U.S. Coast Guard Academy, a master's degree in management science and engineering from Stanford University, and an MBA from Emory University.
