

TONY NASSIF

EXECUTIVE VICE PRESIDENT & COO

Tony Nassif is the Executive Vice President and Chief Operating Officer (COO) for ABS. He is responsible for the day-to-day operations of the organization globally.

Nassif joined ABS in 1982 as part of the engineering department in New York. Since then he held various positions of increasing responsibility with ABS and ABS Group, including President and CEO of the organization's wholly owned affiliate, ABS Group of Companies, Inc.

By developing a strong leadership team and implementing strategies to create a client-centric organization, Nassif led the rapid growth of the non-classification activities handled by ABS Group's principal operating entities, including ABS Consulting, ABS Quality Evaluations and EQECAT.

Nassif earned a bachelor's and master's degree in mechanical engineering from Polytechnic University of New York. He earned his MBA from the University of Houston. Nassif also is a Registered Professional Engineer in the State of New York and a member of various professional organizations
