# ABS MLC-ACCOM Guide

- Focuses on ILO MLC Title 3 requirements
- Addresses five categories of design:
  - Accommodation Area Design
  - Whole-Body Vibration
  - Noise
  - Indoor Climate
  - Lighting
- Does not address managerial or procedural issues
- Partially based on ABS' interpretation of the intent of the ILO MLC 2006 Part A & Part B requirements and on what ABS considers satisfactory compliance with these requirements
