

Safety Culture Survey: Scoring

- Survey responses receive a score Disagree = 1 to Agree = 5
- The ABS SC questionnaire contains forty (40) 5-scale questions

Question	Average Response	Safety Factor
• Shore-side managers never put schedule or costs above safety	3.66	POS
• Language differences in multi-cultural crews are not a threat to safety	3.88	COM
• There are no differences in the performance of crew members from different cultures	4.11	MTR

MTR = Mutual Trust COM = Communication POS = Promotion of Safety/Leadership
