

Our People

The Spirit of ABS

Making the world a safer place.

And nothing could be more important.

We are shaped by who we are:

Confident

We understand how to achieve the best solutions. Years of experience and training have made us self-reliant in our actions and secure in our decisions.

Motivated

Safety is our motivation. We are driven to achieve it, inspired by the goal, and encouraged by our success.

Creative

We are inventive problem solvers and visionary innovators who produce results.

Reliable

We are a steady hand. At every turn, whatever the challenge, we are dependable and steadfast. We are a responsible resource for practical solutions.

Resourceful

We find a way. With safety at stake, every challenge is subjected to an enterprising approach to finding the best solution. We apply our talented, highly capable resources to a creative, inventive exploration of the options.

Enthusiastic

We are passionate about safety and fully devoted to achieving it.

Committed

Our balanced approach and solid methods provide security and dependability that are uncompromising.

Every day stakeholders look to us to help them protect people and property, and preserve the natural environment.

It's more than a job.
It's who we are.

The Spirit of ABS

We are defined by a core set of traits that make us truly unique. They are as important today as they were in the past. They are how we see ourselves, and how others see us. Together, they describe the Spirit of ABS.

Our Vision

Safety drives us. We are global innovators turning tools and practices into practical solutions to support the industries we serve.

Our Mission

To serve the public interest as well as the needs of our members and clients by promoting the security of life and property, and preserving the natural environment.

Our Values

We are guided by shared beliefs:

Safety

Our job is critical. What we do matters to the lives of people, the quality of the environment, and commercial success around the world. We are vigilant in our goals to improve safety practices, and minimize risk exposure and downtime.

Innovation

Solving problems is good. Anticipating problems is better. We do both through continuous research and development focused on staying ahead of the curve.

Integrity

Reputation matters. Clients depend on us as an impartial, objective resource. In everything we do, we are honest, ethical and trustworthy.

Teamwork

The best safety solutions are achieved together. We work closely with our stakeholders as a dependable, flexible and efficient partner. We are dedicated to sharing our experience, and to contributing to the education of future industry leaders.

People

We have a global scope and a local presence. Our international workforce is continuously trained to the highest level. We empower our people to make local decisions.

Quality

Expect the best. When we set out to solve a problem, we do it right. We are thorough and relentless perfectionists in the pursuit of safety.

Reliability

You can count on us. We're easy to reach and quick to respond. We deliver practical, tailored solutions that exceed expectations.

It's more than a job. It's who we are.
