

ABS MYFREEDOM™ CLIENT PORTAL

# ABS e-Certificate Validation

---

Step-by-step instructions to help you **validate the  
ABS e-Certificate.**

ABS e-Certificates, fully compliant with IMO Guidelines, will reduce administrative burdens and simplify Flag State verification.

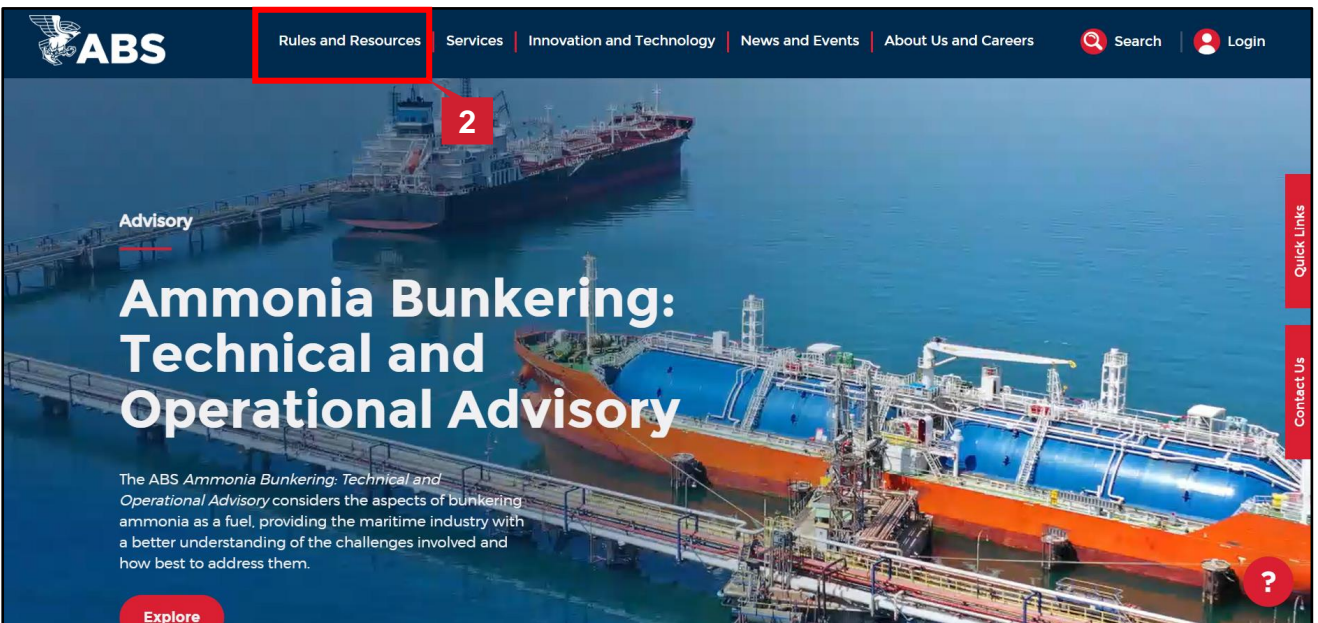

ABS has established a public site **ABS MYFREEDOM™CLIENT PORTAL** where anyone can look up and validate any ABS e-Certificate following IMO FAL.5 Circ.39/Rev. 2 requirements, either by the vessel IMO number or the certificate number or class number.

## [PUBLIC ACCESS FOR QUICK VALIDATION OF E-CERTIFICATES](#)

The authenticity, originality and traceability of the e-Certificates are easily verifiable.

The general certificate information will be displayed, and the certificate history can be chosen to display issuance and endorsement dates. In the event that a certificate is not authentic or valid, an alert message will be displayed.

This verifies that the e-certificate meets IMO FAL.5 Circ.39/Rev.2 requirements and has not been altered since the issuance.
