

ABS SMART SCHEDULER™

Industry's only mobile survey booking tool that allows you to schedule surveys via SMS text or WhatsApp in less than a minute. Making it easy for you to schedule surveys, manage your fleet and be totally prepared before you pull into port.

With ABS Smart Scheduler™, now you can order your surveys on the go. Everything at your fingertips – with or without internet access. **Anytime. Anywhere. Any Way.**

It's all part of our continued vision for a digital maritime future that's smart, intuitive and connected.

NOW IT ALL CLICKS.

Now available to ABS MyFreedom™ Client Portal users - transforming the way YOU manage Class activities with easy access to your fleet to keep your assets connected and in sight. ABS brings it all together for YOU!

SMART SCHEDULER™ BENEFITS

- Get automatic reminders for surveys coming due and certification renewals
- Schedule surveys via text message or WhatsApp
- Take advantage of remote survey options
- Connect to port-specific External Specialists for upcoming surveys
- Access custom pre-arrival port checklists
- Enjoy mobile convenience with 24/7 global connection
