K) Customize Table Views

The enhanced table view allows the user to customize the columns in the table. Refer to the [Customize Table View](#) training.

The screenshot shows the 'Fleet: All Vessels' page in the ABS MyFreedom system. The page features a navigation bar with various menu items and a dashboard with summary cards for '31 Total Vessels', 'SURVEYS/AUDITS', 'FINDINGS', 'CERTIFICATES', 'ORDERS', and 'PR17 CAPS'. Below the dashboard is a search bar and a table of vessel data. The table columns include Vessel Name, IMO No., Class No., Orders, Surveys/Audits, Findings, Certificates, and PR17 CAPS. A 'Customize Columns' dropdown menu is open on the right side of the table, showing a list of columns that can be selected or deselected for display in the table view.

L) Finance

The Finance section shows a dashboard of all account information in one combined location.

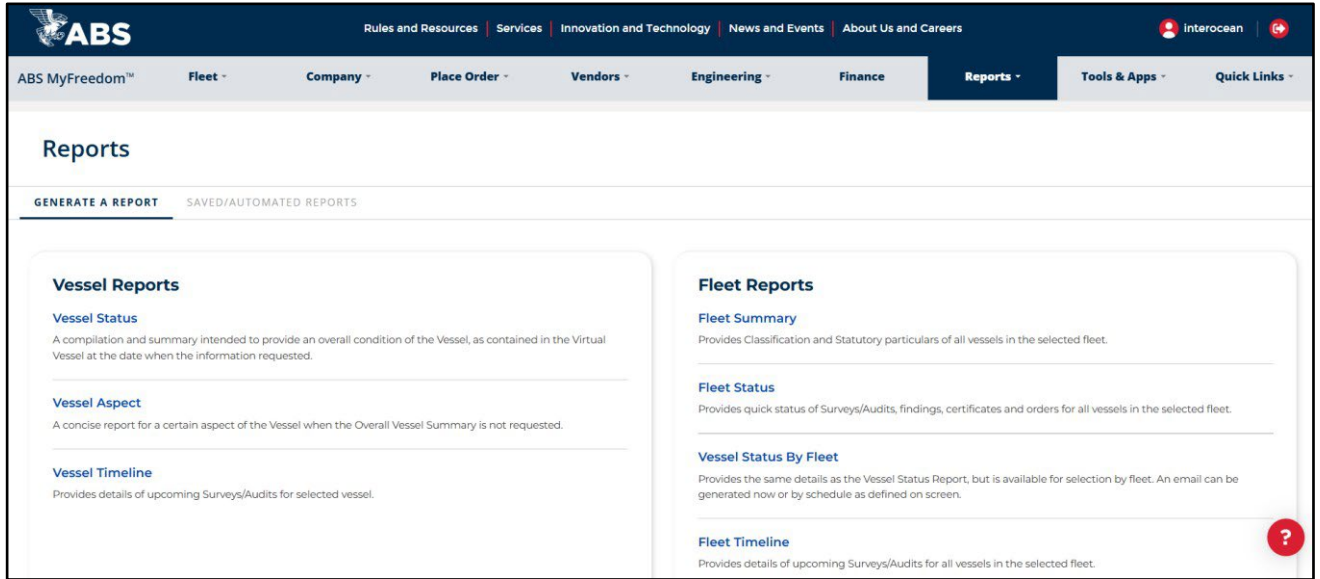

The screenshot shows the 'Finance' section in the ABS MyFreedom system. The dashboard includes three main visualizations: a 'Balance' card showing a current balance of \$20,323.48; an 'Aging' bar chart showing amounts due by age in days (0-30, 31-60, 61-90); and a 'Balance Distribution Per Vessel' pie chart showing the distribution of balances across 7 vessels. Below the dashboard is a search bar and a table of invoices. The table columns include Invoice No., Vessel Name, Class Number, Project Type, Project/Work Order, Date, Amount USD, and Age (Days). Two invoices are listed, both for 'CDC BARGE FOR AE CERT ONLY'.

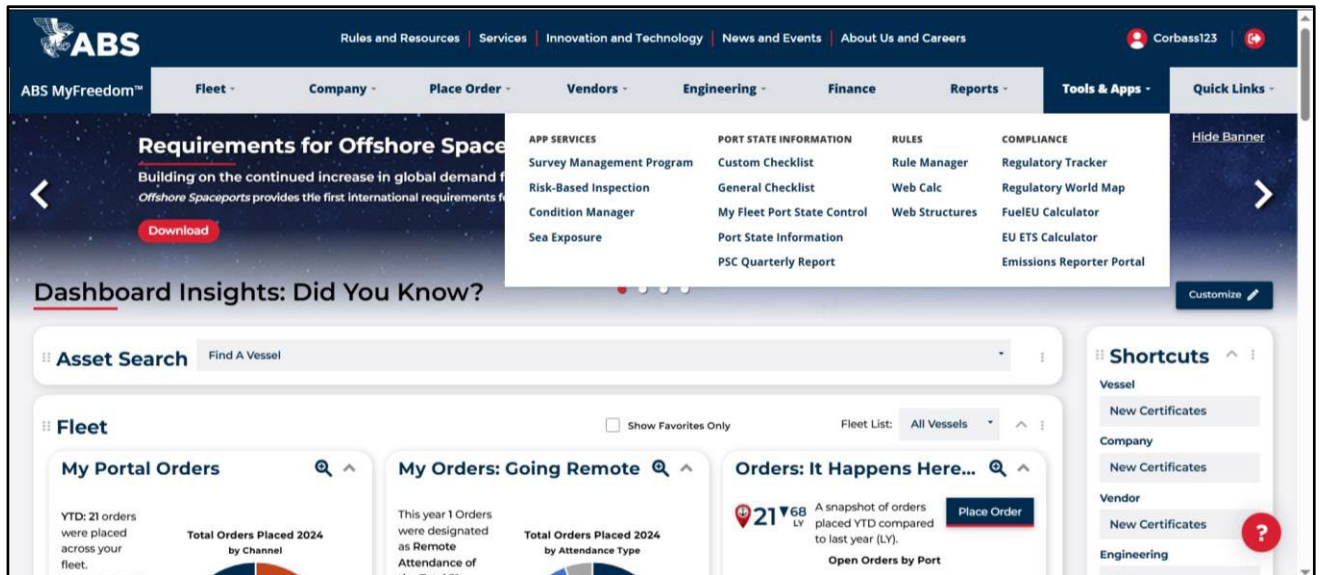

M) Reports

You can generate, save, and automate reports.

N) Tools and Apps

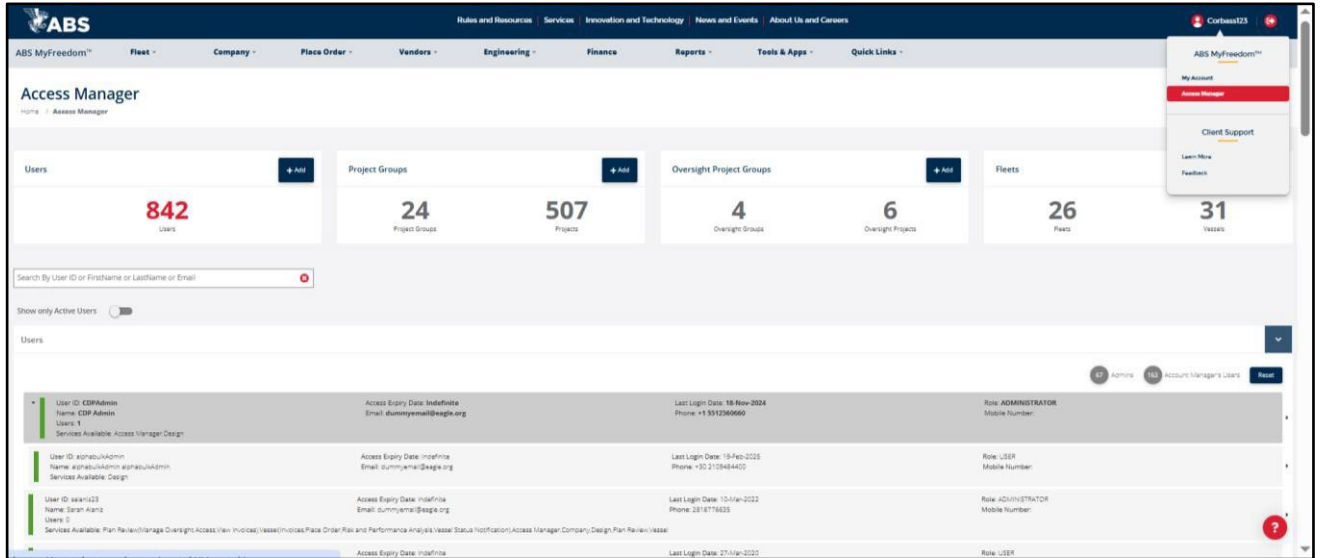

You can hover over Tools & Apps to view and choose from portal-available services like App Services, Port State Information, Rules, and Compliance.

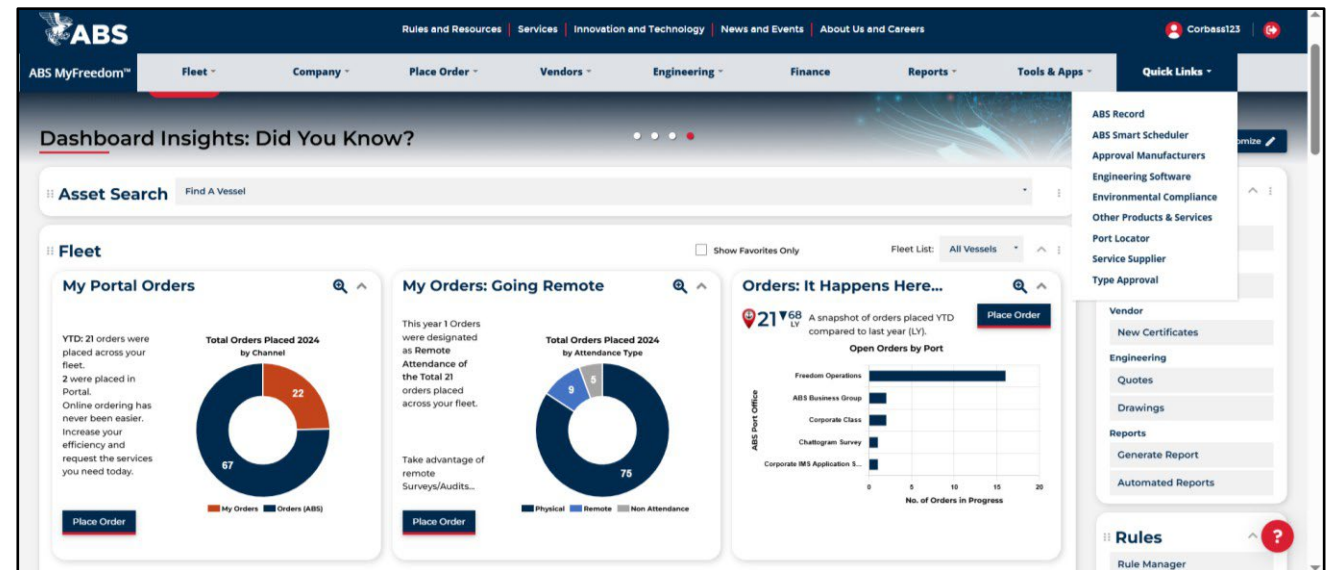

O) Access Manager

The Access Manager page allows you to monitor your team members' current system permissions within the portal. Additionally, you can assign projects, modify permissions, and reset user passwords.

P) Quick Links

You can hover over the Quick Links tab to quickly access commonly needed resources.

Q) Preview and Download Reports

You can download reports across multiple vessels/fleets/companies. Refer to [Previewing Documents](#) training.
