The screenshot displays the ABS MyFreedom™ web application interface. At the top, there is a navigation bar with the ABS logo and various menu items: Rules and Resources, Services, Innovation and Technology, News and Events, and About Us and Career. Below this, a secondary navigation bar includes options like Fleet, Company, Place Order, Vendors, Engineering, Finance, and Reports. A prominent green notification box in the top right corner states: "File(s) have been successfully uploaded, and Package #CR0000227603 has been created." The main content area shows the "Selected Project" as "5347260 - 259805". A search bar is present with the placeholder text "Enter package number to search all records" and a "Clear All" button. Below the search bar is a table header with columns: Package No., Customer Reference, Submission Date, Submitter, and Status. The table content area displays "Loading Data...". At the bottom of the interface, there are three buttons: "Create Package", "Request Quote or Project", and "Download Packages (Selected 0)". A red question mark icon is visible in the bottom right corner.

**提示:** 创建文件包 **Create Package** 的选项可以从所有项目的页面, 具体所选的某个项目或者工程栏主页面 (文件包 Packages 和图纸 Drawings 栏) 选择。创建/提交文件包的方式和步骤都是一样的。
