(1) How to Grant Oversight Permissions

KEY TERMS:

- **Oversight Access:** Granted when a client such as a shipyard or owner/operators would like to view and track the plan review status of another client's project data with ABS. Submitting clients can grant oversight access to other clients without ABS being involved.
- **Submitter or Submitting Customer:** A customer submitting drawings through ABS MyFreedom™ Client Portal who retains ownership of the designs, plans, and data being submitted.
- **Oversight Customer:** A customer who would like to access and track progress of the submitting customer's submittals and approvals with ABS.
- **Oversight Permissions:** There are 6 types of permissions that can be granted to view and download information for drawings, packages, and findings as well as receive notifications.

Granting Oversight Permissions

- 1 Log in to ABS MyFreedom™ Client Portal.
- 2 Select **Manage Oversight Permissions** from the **Engineering** drop-down menu.
- 3 Click **Grant Oversight** to grant access for a new project.

- 4 The **Manage Oversight Permissions** pop-up is displayed.
- 5 Select **Active Projects** (access can also be granted to completed projects).
- 6 From the **Select Project** drop-down menu, choose the project for which you want to grant oversight.

12 A success notification will appear, and the **Oversight Permission Status** will update to **Granted** in the Manage Oversight Permissions section.

The screenshot shows the ABS MyFreedom web application. At the top, there is a navigation bar with the ABS logo and menu items: Rules and Resources, Services, Innovation and Technology, News and Events, and My Profile and Career. Below this is a secondary navigation bar with links: ABS MyFreedom™, Fleet, Company, Place Order, Vendors, Engineering, and Reports. A red callout box with the number '12' points to a green success notification in the top right corner that reads: "Oversight permissions have been granted successfully." Below the notification is a table with the following columns: Project No., Project Status, Shipyard/Hull No., Oversight Customer/ Address, and Oversight Permission Status. The table contains four rows, all with a status of "GRANTED". A "Grant Oversight" button is visible at the bottom left of the table area.
