How to Search Drawings

The **ABS MyFreedom™ Client Portal** offers two search methods for drawings:

- Projects/Vessels
- Drawings

We recommend using the **Projects/Vessels** method for a more streamlined and effective search experience.

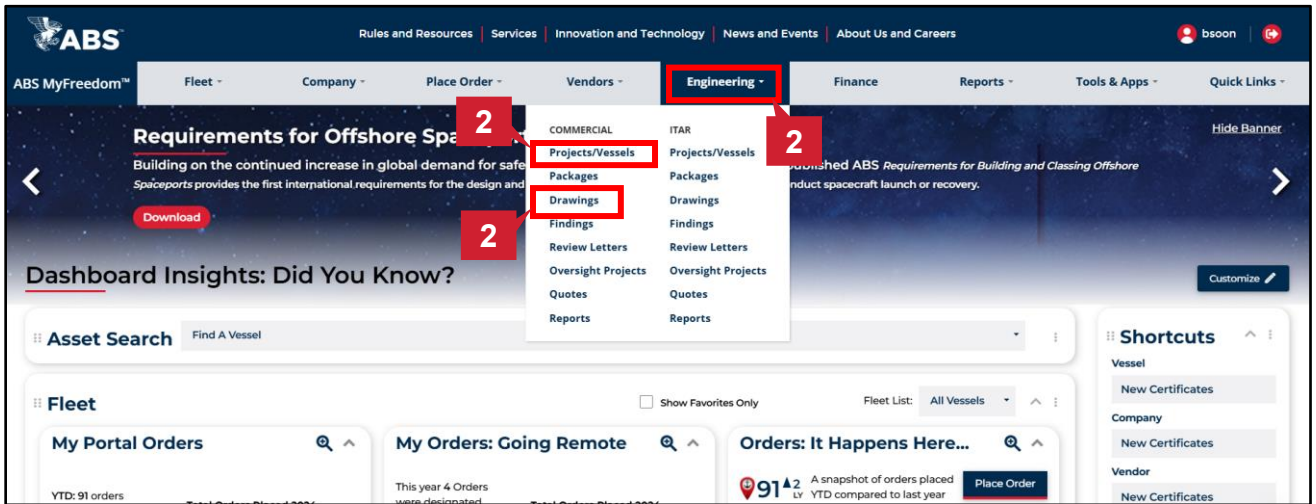

Search Drawings

1 Login to ABS MyFreedom™ Client Portal.

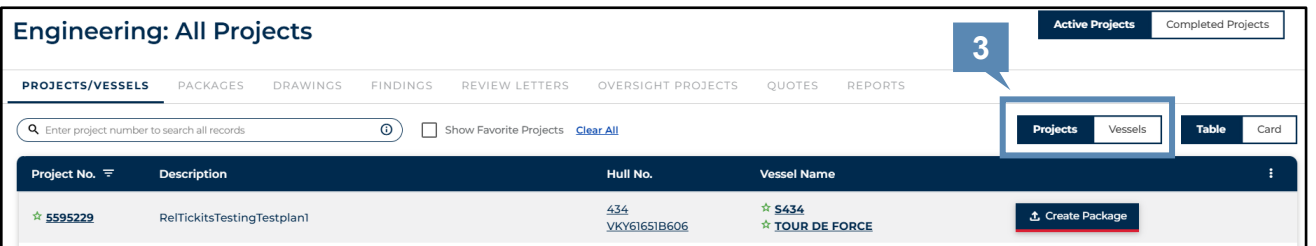

To access the drawing page using one of the following options:

- **Projects/Vessels:** Requires an additional step to choose the appropriate Project Number before proceeding to the drawing page.
- **Drawings:** Directly opens the drawing page without any intermediate steps.

From the **Engineering** drop-down menu, select either **Projects/Vessels** or Drawings.

3 Depending on your previous selection of **Projects/Vessels**, the page will display toggle buttons that enable you to switch between **Projects View** and **Vessels View**.

4 In Project View, click the corresponding **Project Number** for the required drawing.
