(1) How to Switch between Project and Vessel Views

You can configure the portal's user interface to seamlessly switch between Project and Vessel views, making it easy to search for your projects or vessels.

Switching between Project and Vessel Views

- 1 Login to ABS MyFreedom™ Client Portal.
- 2 Select **Projects/Vessels** from the **Engineering** drop-down menu.

The screenshot displays the ABS MyFreedom Client Portal interface. The top navigation bar includes the ABS logo, navigation links (Rules and Resources, Services, Innovation and Technology, News and Events, About Us and Careers), and a user profile (interocan). Below the navigation bar, the main menu is visible, with the 'Engineering' dropdown menu highlighted in red. The 'Engineering' dropdown menu is open, showing two columns of options: 'COMMERCIAL' and 'ITAR'. The 'Projects/Vessels' option is highlighted in red, and a red callout box with the number '2' points to it. The main content area shows a dashboard with various widgets, including 'Requirements for Offshore Spaceports', 'Dashboard Insights: Did You Know...', 'Asset Search', 'Fleet', 'My Portal Orders', 'My Orders: Going Remote', 'Orders: It Happens Here...', and 'Shortcuts'. The 'Shortcuts' sidebar on the right shows a red question mark icon next to the 'Engineering' link.

- 3 • Use the toggle button in the top section to select either **Active Projects** or **Completed Projects**, depending on your project's status.
- Choose the **Projects** or **Vessels** view according to your preferred way of accessing information.

(2) How to Switch between Table and Card Views

You can switch between **Table** and **Card** views to search projects using Project Number and Hull Number, and toggle between Project and Vessel views as needed.

Table view is the default and displays data in a tabular format.

Switching between Table and Card Views

- 1 Login to **ABS MyFreedom™ Client Portal**.
- 2 Select **Projects/Vessels** from the **Engineering** drop-down menu.

The screenshot displays the ABS MyFreedom Client Portal interface. The top navigation bar includes the ABS logo and several menu items: Rules and Resources, Services, Innovation and Technology, News and Events, and About Us and Careers. The user is logged in as 'intercean'. Below the navigation bar, there are several tabs: Fleet, Company, Place Order, Vendors, Engineering (highlighted with a red box), Finance, Reports, Tools & Apps, and Quick Links. The Engineering dropdown menu is open, showing two columns of options: COMMERCIAL and ITAR. Under COMMERCIAL, 'Projects/Vessels' is highlighted with a red box and a red number '2'. Other options in the COMMERCIAL column include Packages, Drawings, Findings, Review Letters, Oversight Projects, Manage Oversight Permissions, Quotes, and Reports. The ITAR column also lists the same options. The main content area features a 'Requirements for Offshore Spaceports' banner, a 'Dashboard Insights: Did You Know?' section, an 'Asset Search' bar, and several data cards for 'My Portal Orders', 'My Orders: Going Remote', and 'Orders: It Happens Here...'. A 'Shortcuts' sidebar is visible on the right.

3 Use the toggle buttons in the top section to switch between Table and Card views.

The screenshot shows the 'Engineering: All Vessels' page in Table view. The top navigation bar includes 'Rules and Resources', 'Services', 'Innovation and Technology', 'News and Events', and 'About Us and Careers'. Below this is a secondary navigation bar with 'ABS MyFreedom™', 'Fleet', 'Company', 'Place Order', 'Vendors', 'Engineering', 'Finance', 'Reports', 'Tools & Apps', and 'Quick Links'. The main header has 'Active Projects' and 'Completed Projects' tabs. A search bar is present with the text 'Enter project number to search all records'. Below the search bar are 'Projects', 'Vessels', 'Table', and 'Card' toggle buttons. The 'Table' button is selected. A table lists vessels with columns for Hull No., Vessel Name, Project No., and Description. A red box highlights the 'Table' and 'Card' buttons, with a red '3' next to it.

Hull No.	Vessel Name	Project No.	Description
529	SAVANNAH	4268823	APPROVAL OF TRAINING AREA PLAN HOLD 3
496	PERLA DEL CARIBE	4810364	Updated PSTP due to USCG B35 (rev. A8) - Previous review was under ...
		5160137	Perla del Caribe, Review of Risk Assessment Report & Updated PSTP
		5417692	Isla Bella & Perla del Caribe_Installing 41 Transformers (140KVA) I...
		5475084	Perla del Caribe_Updated PSTP Rev. 11 in Accordance with the USCG A...
		5368230	Review of N13 Support_06SEP24
		3914495	CS Assessment for 2 Vessels.

4 Select **Card** view to display projects or vessels as cards, based on the selected view mode.

The screenshot shows the 'Engineering: All Projects' page in Card view. The top navigation bar is the same as in the previous screenshot. The main header has 'Active Projects' and 'Completed Projects' tabs. A search bar is present with the text 'Enter project number to search all records'. Below the search bar are 'Projects', 'Vessels', 'Table', and 'Card' toggle buttons. The 'Card' button is selected. The page displays a grid of project cards. A red box highlights the 'Card' button, with a red '4' next to it.
